

Glendale Field R/C Flyers

Application for Membership

PLEASE PRINT CLEARLY!

Dear Model Aircraft & Radio Control Enthusiast,

*AMA Membership Number:

This will be the 3rd year of opening the Glendale Private Field. The development of this field was started by the San Fernando Valley Radio Control Flyers (SFVRCF) Charter Club #152, and in 2019 that club will enjoy its 69th year! We are thankful for the efforts of Willie Gardner/deceased (field engineer), and past presidents George Finch/deceased, Jason Pakfar, Chuck Thompson and Benny Elkouby for their administrative efforts to bring this field to life.

The intent of the Glendale Club is to implement and establish an 'AMA only' flying site for its members. This means to fly at Glendale Field you must be a member of that club and an AMA member. You must abide by the AMA flying site rules at all times in order to maintain your club membership. As a member, when flying, the Glendale Field membership card must be displayed on your person at all times in order to be a flying pilot at this field. Your guests and family are not allowed to fly. If this rule is not adhered to your membership will be terminated.

If you have a need to contact a Valley Flyer club officer, please contact the Field Marshal, Adam Kline, at adamkline@deltadistributing.net or 626-437-8850. An alternate contact is JASON MANSFIELD, President, at jasonm5115@sbcglobal.net or 818-634-9240.

Flight venue is limited to .40 size nitro and electrical fixed wing, helicopters and small drones. No FPV aircraft or racing airplanes are allowed. Limit your altitude to 400 feet and stay within the field borders. NO FLYING OVER THE FREEWAY

Benefits of Membership Include:

Access to a private field where all field and flight rules have to be adhered to. Free flight instruction (at the Apollo XI field location only). We use our Club trainer airplanes, radios, and fuel...you provide the enthusiasm!

Free Annual BBQ (at Apollo XI field) & Club-subsidized End-of-Year Holiday Party & Award Presentation.

Club Meetings including Show-And-Tell, Model-Related Programs & Presentations, and a Monthly Raffle (Encino Women's Center).

RC eNews – Timely and informative email messages about upcoming events, field closure notices and more.

The Valley Flyer - the club's official newsletter.

Please fill out and sign the membership application. Send the application with a check for the membership dues (make check payable to **San Fernando Valley R/C Flyers**) and mail to Valley Flyers Membership, PO Box 16188, Encino, CA 91416. Alternately, you may bring your application to a Club meeting (conducted every 4th Tuesday). You can pay using PayPal® directed to paypal@valleyflyers.com.

Prospective Members and Guests are always welcome and invited to Club meetings, which are combined Glendale and Valley Flyer members.

The Glendale club is Academy of Model Aeronautics (AMA) charter club under # 152, and as a charter club all members of the Glendale club must be members in good standing with the AMA. Failure to become an AMA member or to keep your AMA membership current will void your Glendale membership. Your AMA membership is verified each year when you renew your club membership. Glendale members are expected to abide by Valley Flyer club bylaws, Academy of Model Aeronautics rules, Glendale field regulations, and normal standards of conduct and courtesy.
